Statement regarding model AL-114

Brightway Metal Products designed the AL-114 laptop stand in-house in 2022. Our first production run was completed on 18 March 2022 and our catalogue page for AL-114 was published on 2 April 2022. We supply this model to several customers, including Kestrel Desk Co.

We have no licence or agreement with Orbis Ergonomics Inc. and we do not make any product to its designs.

Li Wei, General Manager

Invented document for software testing. Not a real record.
