WEEK STARTING	ORDERS	SHIPPED LATE	LATE %	MAIN REASON
15 Sep	212	9	4.2%	Normal
22 Sep	248	21	8.5%	Packer on leave, no cover
29 Sep	301	27	9.0%	Autumn promotion, cut-off 3pm missed
6 Oct	96	8	8.3%	Same

Valid tracking fell because 41 parcels were sent with the carrier's drop-box label scanned the next morning, so the first scan showed after the promised date.

Invented document for software testing. Not a real record.
